- Questionnaire:** Please complete the red and white **Juror Qualification Questionnaire** and return it to this office within **10 days using the enclosed postage-paid envelope.** *You are still obligated to return the questionnaire regardless of a request for disqualification, deferral, or to be excused from jury service.* The Jury Office enters all questionnaire information into the Court database and is severely limited in their ability to assist you without your updated information.
- Automated Phone System:** Please ***do not*** call the automated phone system prior to ten business days before your scheduled reporting date. The Court uses an automated phone system to notify jurors of reporting instructions AND to notify jurors of the outcome of requests to be disqualified, deferred, or excused. Your information is updated in our phone system ten business days prior to your summons date. **To receive information regarding requests to be disqualified, deferred or excused, you need to call 1-800-882-1249 between the hours of 9AM and 4PM approximately ten business days prior to your summons date.** The automated system will prompt you to enter in your *nine digit participant* number located just above your name/address on your summons for jury service. Do not discard your Summons for Jury Service under any circumstances.
- Hardship Request:** If petit jury service will result in undue hardship you may request to be excused or deferred. Provide a detailed letter stating the reason(s) for your request and *return it with the qualification questionnaire* using the postage-paid envelope immediately. You are still obligated to call the court automated phone system for inquiries regarding your status as a prospective juror. Requests to be excused for medical reasons ***must be*** accompanied with a letter from your physician specifying the condition that prohibits you from serving. The letter should include the date you were summoned and your nine digit participant number. **Transportation hardships are not accepted.**
- On Call Status:** As a prospective juror, you should expect to remain ON CALL for a period up to 15 business days starting on your summons date. This *does not* mean that you appear for all 15 business days. It does mean you are obligated to call the jury automated phone system each Friday after 5PM for reporting instructions. You are required to appear only as needed, *normally for one day of jury selection on the first business day of the week.* You may be required to appear for additional day(s) for jury selection.
- Reporting Information:** On the first day you report for jury service you can expect to be at the court from 8:15 A.M. until, on some occasions, 5:00 P.M. If you are selected to serve on a trial, most Judges at the Federal Court, sit between the hours of 9:00 A.M. and 1:00 P.M.. The average length of a trial at the Federal Court is 4-7 days. **Please Note: The 15 day on-call period is the date range the jury department can call you in for jury selection. This in no way restricts the time you may serve on a specific jury trial.**
- Compensation:** You are compensated at a rate of \$40.00 per day and 37.5 cents per mile for travel expenses. The Court reimburses you for parking fees (with a receipt) and any toll charges incurred. If you are driving in to the Court, we request that you park in either of the two large parking lots adjacent to the court. The parking lots range from \$7.00 to \$10.00. All reimbursements are made by check and mailed to your address within seven days following your juror service. Therefore, please be aware, you will be required to pay transportation and parking expenses out of pocket. **YOU WILL NOT BE COMPENSATED FOR TAXI FARE.** Please Note: If you appear for jury service without calling the jury information line (1-800-882-1249), you will not be authorized to collect any jury fees.
