

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

PUBLIC NOTICE

REGARDING

**AMENDMENT OF LOCAL RULES 16.2 AND 40.1
Effective January 3, 2012**

In September 2011, the Committee on Judicial Resources's Subcommittee on Judicial Statistics approved modifications to the Form JS 44 civil cover sheet to include seven new nature of suit codes and eliminate 13 nature of suit codes that are either obsolete or used so rarely that it is no longer necessary to have separate codes. To implement these changes the court has reviewed Local Rules 16.2 *Exemptions from Fed. R. Civ. P. 16(b)* and 40.1 *Assignment of Cases* and determined that amendments to the Local Rules (LR) are appropriate. In addition, the local civil category sheet has been modified to accommodate these same changes.

The court has determined pursuant to 28 U.S.C. § 2071(e) that there is an immediate need for these amendments to the Local Rules. Those wishing to comment on the amendments to LR 16.2 and LR 40.1 may do so in writing. All comments must be received on or before February 10, 2012 and should be addressed to:

Sarah Allison Thornton, Clerk of Court

A designation shall not thereafter be changed except by order of the Chief Judge or the judge to whom the case is assigned.

(3) *Assignment.* The clerk shall place a case in one of the three categories described in subsection (A)(1) and, unless otherwise ordered by the Court, assign it by lot among the judges of the court in active service at their respective duty stations in accordance with this rule in such manner that each such judge shall be assigned as nearly as possible the same number of cases in each category. A senior judge may limit the category of case and nature of suit assigned to that judge and, within the categories of cases or suits that senior judge will accept, assignment shall be by lot in accordance with this rule.
