Juror Questionnaire

The information that you provide in this questionnaire will be used by the Court and the parties to select a qualified jury in this case; that is, a jury that can render a verdict fairly and impartially based upon the evidence offered at trial in accordance with the law as instructed by the Judge. Both parties are entitled to a jury that is fully fair and impartial. This questionnaire and the jury selection process that we are about to begin is not meant to be intrusive; rather, it serves the important function of ensuring that a fair and impartial jury is selected to hear and decide this case.

It is very important that you answer these questions as completely and accurately as you can. Please write legibly and answer the questions as candidly as possible. There are no right or wrong answers to these questions. But honesty and candor are of the utmost importance. You have taken an oath promising to give truthful answers. The integrity of the process depends upon your truthfulness.

Please bear the following instructions in mind:

- Do not consult, confer, or talk with any other person in completing this questionnaire.
- If you are unable to answer a question because you do not understand the question, please write "Do not understand" in the space after the question. Do not ask anyone, including court personnel, for clarification or assistance.
- If you are unable to answer a question because you do not know the answer, please write "Do not know" in response to the question.
- If you believe that your response to a particular question is of a sensitive or private nature and would like to request that your response not be made public, please write the number of that question in your response to Question #100. Alternatively, if you would prefer not to write an answer to a particular question because of the sensitive or private nature of your response, please write "Private" after the question. The Court may still need to speak with you about the topic, but will endeavor to do so bearing your concerns in mind.
- Please do not write on the back of any page. Use the blank space at the end of the questionnaire (front side only) where there is insufficient room on the form for your answer to any question. When using this space, please include the number of the question(s) you are answering.
- Please write legibly.

You will be permitted to leave for the day when you have completed the questionnaire. Do not discuss any of the questions or your answers on this questionnaire with anyone, including

members of your family, co-workers, or other potential jurors. If anyone approaches you and attempts to discuss any aspect of this questionnaire, the jury selection process, or any aspect of this case, you may not answer their questions or engage in any discussion.

Do not discuss anything about this case with anyone and do not read, listen to, or watch anything relating to this case until you have been excused as a potential juror, or if you are selected as a juror, until the trial is over. You may not discuss this case or allow yourself to be exposed to any discussions of this case in any manner.

When you have completed the questionnaire, please sign it, affirming the truth of your answers and confirming that you had no assistance in completing it. As explained by the Court, you will receive further instructions about whether you need to return for the next phase of jury selection by calling the juror information line and entering your nine-digit participant number.

The Court thanks you for your attention and willingness to serve as a juror, an important duty of citizenship in our democracy.

Four days later, on Thursday, April 18, 2013, at approximately 10:30 p.m., MIT Police Officer Sean Collier (26) was shot to death in his police car near the corner of Main Street and Vassar Street in Cambridge. Approximately 90 minutes later, a man named Dun Meng called the police from a gas station on Memorial Drive in Cambridge; he said that two men had carjacked him in Boston, kidnapped and robbed him, and still had his car. Approximately 20 minutes after that, two men in Watertown had a confrontation with police near the intersection of Laurel Street and Dexter Avenue in which shots were fired and bombs were thrown. One of the men, Tamerlan Tsarnaev, was injured at the scene and died shortly thereafter.
