

Associate Functionality for Attorneys

This document explains the features of the Associate functionality in CJA eVoucher. Follow local policies where applicable.

The Associates functionality in the eVoucher applications allows an appointed attorney using the services of an associate attorney to add claims for services and expenses to their own CJA 20/30. To do this, the appointed attorney must contact the court or federal defender's office to ensure the associate attorney is set up in eVoucher, and to add the associate attorney to the appointment. Once completed, an attorney having an associate on their appointment can add associate services and expenses to a CJA 20/30 and submit together with their own services and expenses on the same voucher.

Creating a CJA 20/30 with an Associate

Payments are always made to the appointed attorney's preferred payee billing selected on the **Basic Info** tab of the CJA 20/30.

On the Home page, select a case from the **Appointments' List** grid.

Adding Services/Expenses as an Associate Attorney

Associate appointments appear on the My Appointments page with the order type of **Associate For** [*the appointed attorney's name*]. Only the appointed attorney can create a voucher.

- If the associate is given **On Voucher, Can Edit** permission, they can add their services and expenses to the voucher.
- If the associate is given **On Voucher, No Edit** permission, only the appointed attorney can edit the voucher.

Associates can only see their own claims and claimed amounts on the voucher. The appointed attorney is the only one who can view the entire voucher with the combined entries.
