

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

PROCEDURES AND OTHER INFORMATION

**FOR COMPLETING FORM FOR
CONSENT OR REFUSAL OF MAGISTRATE JUDGE JURISDICTION**

I. AUTHORITY

The Court has entered a General Order (07-4), dated December 4, 2007 authorizing the assignment of civil cases to the Magistrate Judges sitting in Boston. That Order may be found on the Court's web page at www.mad.uscourts.gov.

II. PROCESS

As the party initiating the civil action, you are responsible for serving the Court's General Order of December 4, 2007 and the consent form on all opposing parties. You are also responsible for contacting these attorneys or parties to inquire as to their consent or refusal to proceed before the Magistrate Judge.

The document does not need to have a handwritten signature from each attorney or party. If the consent is unanimous you may enter an electronic signature on the consent form for each attorney or party in this style: '/s/ John Smith' (see the Court's CM/ECF Administrative Procedures for further information on electronic signatures). You may use multiple sheets if additional space is needed. The consent form is also available on the Court's web page. An example of a completed form is attached to these procedures.

Should any party not consent, you should electronically file the form, after completing just the bottom part of the form.

NOTE: The Court is not to be made aware of which party or parties did not consent to the Magistrate Judge's jurisdiction.

The consent or refusal is to be filed electronically in the Court's CM/ECF system, using one of these items, found under the 'Other Documents' menu: '**Consent to Jurisdiction by US Magistrate Judge,**' or '**Refusal of Consent to Proceed Before a US Magistrate Judge.**'

III. CONSENT AND FURTHER PROCEEDINGS

Should all parties consent to the Magistrate Judge's jurisdiction, the case will continue before the Magistrate Judge as any other civil case, including bench or jury trial, and the entry of final judgment, with direct review by the First Circuit Court of Appeals if any appeal is filed. See 28 U.S.C. § 636(c).

IV. REFUSAL OF CONSENT

Should any party not consent to the Magistrate Judge's jurisdiction, you are responsible for completing the lower portion of the consent/refusal form and electronically filing it with the Court through its CM/ECF system.

While consent to the assignment of the case to the Magistrate Judge is entirely voluntary, and no adverse substantive consequences of any kind will redound to an attorney or party refusing to consent, submission of the executed form, memorializing consent or refusal to consent to final assignment to the Magistrate Judge, is mandatory.

Should any party not consent to the Magistrate Judge's jurisdiction, or should the parties fail to submit the document at all, the courtroom deputy clerk will transmit the case file to the Clerk to have the case randomly assigned to a District Judge of this Court. If the District Judge issues an Order of Reference of any matter in this case to a Magistrate Judge, the matter will be transmitted to the previously assigned Magistrate Judge

V. ADDITIONAL PARTIES

Counsel or *pro se* parties filing a pleading that adds additional parties to the civil action are responsible for serving the General Order and the consent form with that pleading, and then filing the consent form.
