

Law Day 2023

John J. Moakley United State Courthouse

May 3, 2023

The U.S. Court of Appeals for the First Circuit, the U.S. District Court for the District of Massachusetts, the Federal Bar Association, and Discovering Justice are excited to participate in Law Day by offering a dynamic program for a variety of ages. Law Day provides an opportunity to understand how the law and the legal process protect our liberty, strive to achieve justice, and contribute to the freedoms that all Americans share.

Program Highlights:

A Courthouse Tour and Scavenger Hunt

Elementary school students will take a courthouse tour and meet different courthouse representatives while participating in a scavenger hunt.

FBA- Bill of Rights Essay Contest

Winners of the Federal Bar Association's Bill of Rights Essay Contest, which was open to high school students, will be announced.

Watch First Circuit Oral Arguments and Meet with Circuit Judges

College and law school students are invited to watch First Circuit oral arguments and meet the judges. RSVP Required: rsvp@ca1.uscourts.gov

Participate in a Mock Jury Selection

College, law, high school, and middle school students will participate in a mock jury empanelment demonstration.

Cornerstones of Democracy
Civics - Civility - Collaboration
