

Supplemental Questionnaire COVID-19

The Court is taking a variety of steps to ensure that our jurors are safe during their jury duty. To assist us in doing so, we ask that you answer the following questions. Your answers will help us to determine whether you should be excused from jury service before you need to report in person to the courthouse.

If you are not excused, as the date for your jury duty approaches, you will be asked to complete an online questionnaire that will ask whether you have COVID-19 or any of its symptoms before reporting to the courthouse. If you are chosen to serve as a juror, you will be asked to assess your health every morning before reporting to the courthouse for trial.

Please do NOT report for jury duty, or come to the courthouse, if you are sick or showing any symptoms of COVID-19.

Answering “yes” to the following questions does NOT excuse you from jury service. Your answers will be reviewed by the court to determine whether you should be excused. The information provided will be kept confidential, and will be used only to determine whether it is appropriate to excuse you.
